

<b>OIE code</b>	<b><u>LIST A DISEASES</u></b>
A010	<a href="#">Foot and mouth disease</a>
A020	<a href="#">Vesicular stomatitis</a>
A030	<a href="#">Swine vesicular disease</a>
A040	<a href="#">Rinderpest</a>
A050	<a href="#">Peste des petits ruminants</a>
A060	<a href="#">Contagious bovine pleuropneumonia</a>
A070	<a href="#">Lumpy skin disease</a>
A080	<a href="#">Rift Valley fever</a>
A090	<a href="#">Bluetongue</a>
A100	<a href="#">Sheep pox and goat pox</a>
A110	<a href="#">African horse sickness</a>
A120	<a href="#">African swine fever</a>
A130	<a href="#">Classical swine fever</a>
A150	<a href="#">Highly pathogenic avian influenza</a>
A160	<a href="#">Newcastle disease</a>
	<b><u>LIST B DISEASES</u></b>
	<b>Multiple species</b>
B051	<a href="#">Anthrax</a>
B052	<a href="#">Aujeszky's disease</a>
B053	<a href="#">Echinococcosis/hydatidosis</a>
B055	<a href="#">Heartwater</a>
B056	<a href="#">Leptospirosis</a>
B057	<a href="#">Q fever</a>
B058	<a href="#">Rabies</a>
B059	<a href="#">Paratuberculosis</a>
B060	<a href="#">New world screwworm (<i>Cochliomyia hominivorax</i>)</a>
B061	<a href="#">Old world screwworm (<i>Chrysomya bezziana</i>)</a>
B062	<a href="#">Trichinellosis</a>
	<b>Cattle</b>
B101	<a href="#">Bovine anaplasmosis</a>
B102	<a href="#">Bovine babesiosis</a>
B103	<a href="#">Bovine brucellosis</a>
B104	<a href="#">Bovine genital campylobacteriosis</a>
B105	<a href="#">Bovine tuberculosis</a>
B106	<a href="#">Bovine cysticercosis</a>
B107	<a href="#">Dermatophilosis</a>
B108	<a href="#">Enzootic bovine leukosis</a>
B109	<a href="#">Haemorrhagic septicaemia</a>

B110	<a href="#">Infectious bovine rhinotracheitis/infectious pustular vulvovaginitis</a>
B111	<a href="#">Theileriosis</a>
B112	<a href="#">Trichomonosis</a>
B113	<a href="#">Trypanosomosis (tsetse-transmitted)</a>
B114	<a href="#">Malignant catarrhal fever</a>
B115	<a href="#">Bovine spongiform encephalopathy</a>
	<b>Sheep and goats</b>
B151	<a href="#">Ovine epididymitis (<i>Brucella ovis</i>)</a>
B152	<a href="#">Caprine and ovine brucellosis (excluding <i>B. ovis</i>)</a>
B153	<a href="#">Caprine arthritis/encephalitis</a>
B154	<a href="#">Contagious agalactia</a>
B155	<a href="#">Contagious caprine pleuropneumonia</a>
B156	<a href="#">Enzootic abortion of ewes (ovine chlamydiosis)</a>
B157	<a href="#">Ovine pulmonary adenomatosis</a>
B158	<a href="#">Nairobi sheep disease</a>
B159	<a href="#">Salmonellosis (<i>S. abortusovis</i>)</a>
B160	<a href="#">Scrapie</a>
B161	<a href="#">Maedi-visna</a>
	<b>Equidae</b>
B201	<a href="#">Contagious equine metritis</a>
B202	<a href="#">Dourine</a>
B203	<a href="#">Epizootic lymphangitis</a>
B204	<a href="#">Equine encephalomyelitis (Eastern and Western)</a>
B205	<a href="#">Equine infectious anaemia</a>
B206	<a href="#">Equine influenza</a>
B207	<a href="#">Equine piroplasmosis</a>
B208	<a href="#">Equine rhinopneumonitis</a>
B209	<a href="#">Glanders</a>
B210	<a href="#">Horse pox</a>
B211	<a href="#">Equine viral arteritis</a>
B212	<a href="#">Japanese encephalitis</a>
B213	<a href="#">Horse mange</a>
B215	<a href="#">Surra (<i>Trypanosoma evansi</i>)</a>
B216	<a href="#">Venezuelan equine encephalomyelitis</a>
	<b>Swine</b>
B251	<a href="#">Atrophic rhinitis of swine</a>
B252	<a href="#">Porcine cysticercosis</a>
B253	<a href="#">Porcine brucellosis</a>
B254	<a href="#">Transmissible gastroenteritis</a>
B256	<a href="#">Enterovirus encephalomyelitis</a>
B257	<a href="#">Porcine reproductive and respiratory syndrome</a>

	<b>Birds</b>
B301	<a href="#">Avian infectious bronchitis</a>
B302	<a href="#">Avian infectious laryngotracheitis</a>
B303	<a href="#">Avian tuberculosis</a>
B304	<a href="#">Duck virus hepatitis</a>
B305	<a href="#">Duck virus enteritis</a>
B306	<a href="#">Fowl cholera</a>
B307	<a href="#">Fowl pox</a>
B308	<a href="#">Fowl typhoid</a>
B309	<a href="#">Infectious bursal disease (Gumboro disease)</a>
B310	<a href="#">Marek's disease</a>
B311	<a href="#">Avian mycoplasmosis (<i>M. gallisepticum</i>)</a>
B312	<a href="#">Avian chlamydiosis</a>
B313	<a href="#">Pullorum disease</a>
	<b>Lagomorphs</b>
B351	<a href="#">Myxomatosis</a>
B352	<a href="#">Tularemia</a>
B353	<a href="#">Rabbit haemorrhagic disease</a>
	<b>Fish</b>
B401	<a href="#">Viral haemorrhagic septicaemia</a>
B404	<a href="#">Spring viraemia of carp</a>
B405	<a href="#">Infectious haematopoietic necrosis</a>
B413	<a href="#">Epizootic haematopoietic necrosis</a>
B415	<a href="#">Oncorhynchus masou virus disease</a>
	<b>Molluscs</b>
B431	<a href="#">Bonamiosis (<i>Bonamia exitiosus</i>, <i>B. ostreae</i>, <i>Mikrocytos roughleyi</i>)</a>
B432	<a href="#">MSX disease (<i>Haplosporidium nelsoni</i>)</a>
B433	<a href="#">Perkinsosis (<i>Perkinsus marinus</i>, <i>P. olseni/atlanticus</i>)</a>
B434	<a href="#">Marteliosis (<i>Marteilia refringens</i>, <i>M. sydneyi</i>)</a>
B436	<a href="#">Mikrocytosis (<i>Mikrocytos mackini</i>)</a>
	<b>Crustaceans</b>
B445	<a href="#">Taura syndrome</a>
B446	<a href="#">White spot disease</a>
B447	<a href="#">Yellowhead disease</a>
	<b>Bees</b>
B451	<a href="#">Acariosis of bees</a>
B452	<a href="#">American foulbrood</a>
B453	<a href="#">European foulbrood</a>
B454	<a href="#">Nosemosis of bees</a>

B455	<a href="#">Varroosis</a>
	<b>Other</b>
B501	<a href="#">Leishmaniosis</a>
	<b><u>LIST C DISEASES</u></b>
C611	<a href="#">Listeriosis</a>
C612	<a href="#">Toxoplasmosis</a>
C613	<a href="#">Meliodosis</a>
C614	<a href="#">Blackleg</a>
C615	<a href="#">Botulism</a>
C616	<a href="#">Other clostridial infections</a>
C617	<a href="#">Other pasteurelloses</a>
C618	<a href="#">Actinomycosis</a>
C619	<a href="#">Intestinal <i>Salmonella</i> infections</a>
C620	<a href="#">Coccidiosis</a>
C621	<a href="#">Distomatosis (liver fluke)</a>
C622	<a href="#">Filariosis</a>
C652	<a href="#">Mucosal disease/Bovine virus diarrhoea</a>
C653	<a href="#">Vibronic dysentery</a>
C654	<a href="#">Warble infestation</a>
C701	<a href="#">Contagious pustular dermatitis</a>
C702	<a href="#">Foot-rot</a>
C703	<a href="#">Contagious ophthalmia</a>
C704	<a href="#">Enterotoxaemia</a>
C705	<a href="#">Caseous lymphadenitis</a>
C706	<a href="#">Sheep mange</a>
C751	<a href="#">Equine coital exanthema</a>
C752	<a href="#">Ulcerative lymphangitis</a>
C753	<a href="#">Strangles</a>
C754	<a href="#">Salmonellosis (<i>S. abortusequi</i>)</a>
C801	<a href="#">Swine erysipelas</a>
C851	<a href="#">Infectious coryza</a>
C853	<a href="#">Avian encephalomyelitis</a>
C854	<a href="#">Avian spirochaetosis</a>
C855	<a href="#">Avian salmonellosis (excluding fowl typhoid and pullorum disease)</a>
C856	<a href="#">Avian leukosis</a>
	<b><u>ZOONOSES (HUMAN CASES)</u></b>
E001	<a href="#">Brucellosis</a>
E002	<a href="#">Salmonellosis</a>
